Re: Novozymes A/S v. Genencor Int'l Inc., C.A. No. 05-160-KAJ

Dear Judge Jordan:

I write on behalf of Plaintiff Novozymes A/S in brief response to Defendant Genencor's January 29, 2007, letter to the Court (D.I. 224). That letter called attention to the District of New Hampshire's recent decision in *Travel Sentry Inc. v. Tropp*, 2006 WL 3478997 (D.N.H. Dec. 1, 2006), which, unlike the licensor-licensee relationship here, involved no license at all. In the interests of minimizing post-trial letter briefing, Novozymes stands ready to address the merits of this non-binding and distinguishable decision at oral argument tomorrow morning.

Respectfully submitted,

Andrew A. Lundgren (No. 4429)
